

CHARDONNAY 2018

'BEAUTIFULLY LUSH LIKE A GARDEN IN FULL BLOOM.'

Lost Garden captures the fantastic ripe, fresh and vibrant flavours of Hawke's Bay fruit, combined with complimentary winemaking, to produce a range of wines that are highly approachable, delicious and enjoyable to drink.

Glowing golden straw in colour, aromas of sun-ripened, yellow-flesh peaches, pineapple and pawpaw, intermixed with exotic hints of vanilla bean, coconut and toasty oak, leap out of the glass.

The wine is rich and smooth in the mouth with lashings of intense peach/tropical fruit and spicy, toasty oak flavours balanced by gently drying oak tannin and juicy acidity. The finish is soft and round with lingering peach and spicy oak flavours and a satisfying savoury grip.

An opulent Chardonnay that doesn't hold back on flavour but still has with the necessary balance, structure and texture to make you want to pour another glass.
