

## SYRAH 2018

'AS RICH AND SPICY AS A  
MID-SUMMER'S NIGHT DREAM.'

Lost Garden captures the fantastic ripe, fresh and vibrant flavours of Hawke's Bay fruit, combined with complimentary winemaking, to produce a range of wines that are highly approachable, delicious and enjoyable to drink.

A gorgeous, youthful, vivid purple/crimson colour precedes intense aromas of ripe, freshly picked raspberries, boysenberries and blackberries, along with a dusting of sweet, exotic spices, savoury liquorice backstraps, and hints of fresh cedar and vanilla.

In the mouth, the wine is rich and lively, bursting with delicious, fresh raspberry/blackberry fruit flavours; hints of spice, cedar and toast; framed by silky tannins with a juicy, lip-smacking finish and lingering blackberry/raspberry and cedary, toasty oak flavours.

A youthful, exuberant Syrah with an enticing combination of freshness, juiciness and suppleness that will make you want to come back for more.
