

# RESTLESS HEART

Restless Heart | Cigar Barrel | Chardonnay | 2016

## - Wines that Champion Hawkes Bay -

*Winemakers are a restless bunch; always searching for special parcels of fruit; always striving to do better; driven by a need to perfect the craft and a desire to produce the perfect wine.*

In our minds, truly great Chardonnay is an exhilarating drink. When all the elements – ripe fruit, savoury oak, refreshing acidity – are in balance, working together in harmony, the result is a sublime combination of richness, power, sophistication and refinement. This is our inspiration when making Chardonnay and what we feel we have captured in the 2016 Restless Heart Chardonnay.

Tantalizing lifted aromas of ripe grapefruit and perfumed white nectarines are complemented by complex, savoury hints of nougat, marzipan, grilled nuts, sweet spices and toast.

In the mouth, the wine has superb concentration and richness, yet remains tight and focused with stunning drive, persistence and length of flavour. Intense citrus and stone fruit flavours, enrobed in savoury oak, flood the mouth, with a fine thread of tangy acidity providing the perfect counterpoint and contributing to a scintillating, salivating finish that crackles with energy and tension.

An utterly delicious and captivating Chardonnay that will keep you entranced until the very last drop.
